Creating numerous felony offenses for death or harm done to an unborn child, mostly at the felony level, will increase the caseload and workload of the Agency, Making it a felony to knowingly cause serious physical injury to an unborn child that is subsequently born alive would certainly have a fiscal impact if it includes children born after inadequate prenatal care. It is impossible however to predict with any accuracy how many new cases this legislation would generate if enacted, therefore an indeterminate fiscal note is submitted. Prepared by: Linda K.
